NIH - NATIONAL CANCER INSTITUTE
INSTITUTIONAL NATIONAL RESEARCH SERVICE AWARD – T32 CA09056
UCLA TUMOR CELL BIOLOGY TRAINING PROGRAM

Checklist For Predoctoral Applications

Predoctoral candidates for the UCLA Tumor Cell Biology Training Program and their preceptor, must provide the following:

Part I - Applicant
1. Completed Application for Appointment form.
2. A description of Career Goals – be succinct; not to exceed one page.
3. A Bibliography of all publications, including the titles of all research papers published, in press, submitted for publication, or in preparation.
4. A copy of college Transcripts, graduate school transcripts, and GRE and/or MCAT Scores showing percentile ratings (these may be unofficial records; photocopies will do.)
5. The names, addresses and telephone numbers of at least two professional References (excluding preceptor) from whom letters of recommendations have been requested AND the letters.

Part II – Applicant and Preceptor
6. The Research Program to be undertaken by the applicant during the period of training, explaining its relevance to a human cancer problem – not to exceed one page. This must be signed by both the Applicant and the Preceptor.
7. A completed Research Clearances form. This must be signed by both the Applicant and the Preceptor.

Part III – Preceptor
9. A brief description of the Overall Research program in the proposed preceptor’s laboratory.
10. A list of all predoctoral and postdoctoral Trainees currently in the preceptor’s laboratory and their sources of funding.
11. The preceptor’s NIH Biosketch or CV (not to exceed 2 pages).
